Dear Ms. Broomhead:

The Oregon Republican Party is in receipt of your Request for Additional Information dated April 21, 2011, concerning our amended 2010 30 Day Post General FEC report.

With this response, we can as you requested confirm that none of these national party funds of \$ 20,000 from the National Republican Congressional Committee (nor any other national party transfers) were used in connection with the Party's volunteer exempt activities. The transferred funds were permissibly used for the Party's administrative and overhead expenses.

Including the September and October monthly reports, and the pre and post-general reports, the Party disclosed \$ 182,236.20 in receipts on line 11d. In the same timeframe, the Party spent \$ 151,018.33 in its volunteer-exempt activities. Thus, the Party had sufficient permissible funds to pay for its volunteer exempt disbursements.

These activities met the requirements outlined in your letter for volunteer exempt expenditures, and are correctly reported as such on line 30b. Therefore, no amendment is required with respect to these receipts and disbursements.

The Party is filing an amended report for this period to correct its H4 memo entries.

All payments for event space on Schedule H4 were for generic (non-fundraising) party activities, and were not payments on behalf any specifically identified federal candidates. Thus, these expenditures were not required to be reported on Schedules B, E, or F for lines 23, 24, or 25, nor was a Schedule H2 necessary, and no amendment is required with respect to these disbursements.

Sincerely:

Rob Kremer, Treasurer
Oregon Republican Party
